<sup>\*</sup>This index offers a user-friendly on-ramp to the content of the book, Delivering on the Promise of HIPs. It maps the salient HIP topics, including student populations, HIP type, research and assessment method, level of implementation, institution type, and faculty development emphasis, addressed in each chapter. The intent is to help readers quickly find chapters and content that aligns with their HIP interests and to encourage exploration of new topics to advance their HIP practice and research.
